27th Annual
Gala Dinner & Tribute to

Mennonite Disaster Service Region V
Mennonite Central Committee Canada

Please join us...

Better Health for Our Community For over 80 years, Concordia has played an active role in nurturing and helping our community grow. As healthcare needs continue to evolve, we carry on in our pursuit for healthcare excellence offering expanded services, enhanced patient and resident care, and improved healthcare facilities to help families in their everyday lives. On 22 April 2010, the Concordia Foundation will launch its new fundraising program to fuel the development of a 24,000 square foot Community Clinic.

The Community Clinic Project will make use of and expand upon Concordia's existing footprint. Family medicine practitioners will provide essential health services to improve access to primary care. Community members will enjoy enhanced outpatient services, and will benefit from a streamlined health information system and pre-admission processes for same-day surgery and respiratory services. The proximity of Family Medicine to Emergency will assist with expedient referrals to further reduce wait times. Commercial space will also be available to house like-minded businesses and services.

Compassion in Action As we work hard to improve healthcare services here at home, we are also reminded of those who take action daily to help people in the front lines of need—in Canada and around the world. During our gala evening this year, Concordia Foundation is pleased to present the Martin Bergen Award as a tribute to the steadfast work of two highly effective organizations: Mennonite Disaster Service Region V and Mennonite Central Committee Canada.

Presenting Steve Bell Rounding out our gala festivities, live music will be performed by acclaimed singer-songwriter Steve Bell. Following dinner, guests can enjoy the silent auction, diamond draw and a live auction hosted by Bill Knight.

We're looking forward to sharing a spring evening with you reflecting on the important work being done to comfort others in need. Thank you for your continued support of Concordia's vision for healthcare excellence!

Live Auction with Bill Knight
Diamond Draw
Black Tie Optional

Mennonite Disaster Service is a volunteer network through which various constituencies of the Anabaptist church can respond to those affected by disasters in Canada and the United States. While our main focus is on clean up, repair and rebuilding homes, this activity becomes a means of touching lives and helping people regain faith and wholeness.

Mennonite Central Committee Canada seeks to demonstrate God's love by working among people suffering from poverty, conflict, oppression and natural disaster, all the while striving for peace, justice and dignity of all people.
